

- Made with 304 Grade stainless steel and comes with a lever to control the flow of your beer
- It has a modular, threaded spout that can fit a variety of different attachments
- The front sealing faucet eliminates the build-up of mold and bacteria.
- The threaded spout easily unscrews from the faucet
- Pour a pint and then fill a growler in no time at all
- Works great to bottle beer with the Intertap Ball lock adapter and a Beer Gun
- Also Available without Flow Control
