A System Keg Coupler – Chrome Plated Brass Body – SS 304 Probe – With PRV & 3/8" JG Fittings

C723-JG

Dimensions

Features & Benefits:

- Brass body, chrome plated: Improves durability and gives long lasting performance.
- Solid SS 304 probe: Resists chemicals and stays hygienic.
- 60 psi pressure relief valve: Protects the keg and the system from over pressure.
- John Guest push-fit connectors: Tubing connects quickly and securely with no clamps, so setup and changes are fast.
- Eagle handle: Sturdy design that works more comfortably for operators.
- Fits A System kegs: Suits all standard A System keg valves.
- Built-in check valve: Stops beer from flowing back into the gas line, which protects the gas supply.
- NSF approved, 2 year limited warranty: Meets food service standards and gives peace of mind.
